## TIMBERCREEK FINANCIAL CORP.

### NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

**NOTICE IS HEREBY GIVEN** that an annual meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Timbercreek Financial Corp. (the “**Company**”) will be held at the office of McCarthy Tétrault LLP, Suite 5300, TD Bank Tower, 66 Wellington Street West, Toronto, Ontario, on May 3, 2017 at 9:30 a.m. (Toronto time), for the following purposes:

1. to receive the financial statements of the Company for the financial year ended December 31, 2016 and the report of the auditors thereon;
2. to elect the directors of the Company to hold office until their successors are elected at the next annual meeting of the Company, unless their office is earlier vacated;
3. to appoint KPMG LLP as the auditors of the Company to hold office until the next annual meeting of the Company and to authorize the directors to fix the remuneration to be paid to the auditors; and
4. to transact such other business as may properly be brought before the Meeting.

The management information circular (“**Information Circular**”) contains details of the matters to be considered at the Meeting. The above matters are deemed to include consideration of any permitted amendment to or variation of any matter identified in this notice and to transact such other business as may properly come before the Meeting or any adjournment thereof. Management is not aware of any other matters which are expected to come before the Meeting.

The directors of the Company have fixed March 24, 2017 (the “**Record Date**”) as the record date for determining the Shareholders entitled to receive notice of and to vote at the Meeting. Only registered Shareholders of the Company as of the close of business on the Record Date will be entitled to receive notice of and to vote, in person or by proxy, at the Meeting.

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access Provisions**”) under National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allows issuers to post electronic versions of proxy-related materials online, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to securityholders.

Electronic copies of this notice, the Information Circular and other Meeting materials may be found on the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com) and on a host website at [www.meetingdocuments.com/cst/tf](http://www.meetingdocuments.com/cst/tf)

Shareholders are reminded to review the Information Circular before voting.

Shareholders will receive paper copies of a notice package (the “**Notice Package**”) via pre-paid mail containing a notice with the information prescribed by NI 54-101 and a form of proxy (if a registered Shareholder) or a voting instruction form (if a non-registered Shareholder). The Company will not use procedures known as “stratification” in relation to the use of the Notice-and-Access Provisions. Stratification occurs when an issuer using the Notice-and-Access Provisions sends a paper copy of the Information Circular to some securityholders with a Notice Package.

Shareholders may obtain paper copies of the Information Circular and the Meeting materials free of charge by calling 1-866-898-8868 at any time up until the date of the Meeting, including any adjournment or postponement thereof. Any Shareholder wishing to obtain a paper copy of the Meeting materials should submit their request no

later than 9:30 a.m. (Toronto time) on April 19, 2017 in order to receive paper copies of the Meeting materials in time to vote before the Meeting. Shareholders may also use the toll-free number noted above to obtain more information about the Notice-and-Access Provisions. Under the Notice-and-Access Provisions, Meeting materials will be available for viewing on the host website for one year from the date of posting.

Registered shareholders are requested to complete, date and sign the form of proxy and deliver it in accordance with the instructions set out in the form of proxy and in the Information Circular. If you plan to attend the Meeting and wish to vote in person, please follow the instructions on the voting form to appoint yourself, instead of the management nominees, to vote at the Meeting.

Shareholders who hold their shares with a bank, broker or other financial intermediary are not registered Shareholders. All non-registered Shareholders who receive these materials through a broker or other intermediary should complete and return the materials in accordance with the instructions provided to them by such broker or intermediary. A non-registered Shareholder receiving a voting instruction form or proxy cannot use that form as a proxy to vote such Shareholder's common shares directly at the Meeting; rather, the voting instruction form must be returned in accordance with the instructions provided well in advance of the Meeting in order for such Shareholder's common shares to be voted at the Meeting.

DATED at Toronto, Ontario as of March 15, 2017.

**MANAGEMENT INFORMATION CIRCULAR**

**SOLICITATION OF PROXIES**

**This management information circular (this “Information Circular”) is furnished in connection with the solicitation of proxies by the management of Timbercreek Financial Corp. (the “Company”) for use at the annual meeting (the “Meeting”) of shareholders of the Company (“Shareholders”) to be held at the time and place and for the purposes set forth in the accompanying notice of Meeting (the “Notice of Meeting”).** References in this Information Circular to the Meeting include any adjournment or adjournments thereof. It is expected that the solicitation will be primarily by mail, however, proxies may also be solicited personally, by advertisement or by telephone by directors, officers or employees of the Company or of Timbercreek Asset Management Inc., the manager of the Company (the “**Manager**”), to whom no additional compensation will be paid. The solicitation of proxies is made by management on behalf of the Company and the cost of solicitation will be borne by the Company. In this Information Circular, unless the context otherwise suggests, references to *you*, *your* and *Shareholder* are to a holder of common shares (“**Common Shares**”) of the Company.

Unless otherwise stated, the information contained in this Information Circular is as of March 15, 2017.

**NOTICE-AND-ACCESS**

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access Provisions**”) under National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that allows issuers to post electronic versions of proxy-related materials online, via SEDAR and one other website, rather than mailing paper copies of such materials to securityholders.

Electronic copies of the Notice, this Information Circular and other Meeting materials may be found on the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com) and on a host website at [www.meetingdocuments.com/cst/tf](http://www.meetingdocuments.com/cst/tf)

Shareholders are reminded to review this Information Circular before voting.

Shareholders will receive paper copies of a notice package (the “**Notice Package**”) via pre-paid mail containing a notice with the information prescribed by NI 54-101 and a form of proxy (if a registered Shareholder) or a voting instruction form (if a beneficial Shareholder). The Company will not use procedures known as “stratification” in relation to the use of the Notice-and-Access Provisions. Stratification occurs when an issuer using the Notice-and-Access Provisions sends a paper copy of this Information Circular to some security holders with a Notice Package.

Shareholders may obtain paper copies of this Information Circular and the Meeting materials free of charge by calling 1-866-898-8868 at any time up until the date of the Meeting, including any adjournment or postponement thereof. Any Shareholder wishing to obtain a paper copy of the Meeting materials should submit their request no later than 9:30 a.m. (Toronto time) on April 19, 2017 in order to receive paper copies of the Meeting materials in time to vote before the Meeting. Shareholders may also use the toll-free number noted above to obtain more information about the Notice-and-Access Provisions. Under the Notice-and-Access Provisions, Meeting materials will be available for viewing on the host website for one year from the date of posting.

The Company anticipates that relying on the Notice-and-Access Provisions will directly benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibilities by decreasing the large volume of paper documents generated by printed proxy-related materials.

## RECORD DATE

The board of directors of the Company (the “**Board**”) has fixed the close of business on March 24, 2017 as the record date (the “**Record Date**”), being the date for the determination of the registered holders of securities entitled to receive notice of the Meeting. Duly completed and executed proxies must be received by CST Trust Company (the “**Transfer Agent**”) at 320 Bay Street, 3<sup>rd</sup> Floor, Toronto, Ontario M5H 4A6 no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment of the Meeting.

## HOW TO VOTE YOUR SHARES

Your vote is important. Please read the information below, then vote your Common Shares, either by proxy or in person at the Meeting.

How you vote your Common Shares depends on whether you are a registered shareholder (“**Registered Shareholder**”) or a beneficial shareholder (“**Beneficial Shareholder**”). In either case, there are two ways you can vote at the Meeting — by appointing a proxyholder or by attending in person, although the specifics may differ slightly.

*Registered Shareholders:* You are a Registered Shareholder if your name is recorded in the Company’s shareholder register and you hold one or more share certificates which indicate your name and the number of Common Shares which you own. As a Registered Shareholder, you will receive a form of proxy from the Transfer Agent representing the Common Shares you hold. **Each Registered Shareholder has the right to appoint a person or company (who need not be a Shareholder) to attend and act for him or her or it at the Meeting other than the persons designated in the form of proxy.** If you are a Registered Shareholder, please refer to “*How to Vote — Registered Shareholders*”.

*Beneficial Shareholders:* You are a Beneficial Shareholder if a securities dealer, broker, bank, trust corporation or other nominee holds your Common Shares for you, or for someone else on your behalf. As a Beneficial Shareholder, you will most likely have received a Voting Instruction Form from either the Transfer Agent or Broadridge Financial Solutions, Inc. (“**Broadridge**”), although in some cases you may have received a form of proxy from the securities dealer, broker, bank, trust corporation or other nominee holding your shares. If you are a Beneficial Shareholder, please refer to “*How to Vote — Beneficial Shareholders*”.

### **How to Vote – Registered Shareholders**

If you are a Registered Shareholder, you may either vote by proxy or in person at the Meeting.

#### *Appointment of Proxies*

If you choose to vote by proxy, you are giving the person or the persons named on your form of proxy (referred to as a “**proxyholder**”) the authority to vote your Common Shares on your behalf at the Meeting (including any adjournments or postponements). You may indicate on the form of the proxy how you want your proxyholder to vote your Common Shares, or you can let your proxyholder make that decision for you. If you do not specify on the form of proxy how you want your Common Shares to be voted, your proxyholder will have the discretion to vote your Common Shares as such proxyholder sees fit.

The persons named in the form of proxy are officers and/or directors of the Company. **A Registered Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him, her or it at the Meeting, may do so by inserting such person’s name in the blank space provided in the form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the office of the Transfer Agent no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment of the Meeting.**

**The persons named in the form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. In the absence of such direction, such Common Shares will be voted:**

- (i) **FOR the election of the directors referred to in this Information Circular; and**
- (ii) **FOR the appointment of KPMG LLP as the Company's auditors to hold office until the next annual meeting of the Company with its remuneration to be fixed by the Board.**

**The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Information Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxyholders.

#### *Submitting Votes by Proxy*

**A Proxy will not be valid unless it is deposited at the offices of the Transfer Agent no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, being 9:30 a.m. on Monday, May 1, 2017 or any adjournment of the Meeting.**

**Late proxies may be accepted or rejected by the Chairman of the Meeting in his or her discretion, however, the Chairman is under no obligation to accept or reject any particular late proxy. The Chairman of the Meeting may waive this time limit for receipt of proxies without notice.**

#### *Revocation of Proxy*

A proxy given pursuant to this solicitation may be revoked by an instrument in writing executed by a Registered Shareholder or by a Registered Shareholder's attorney authorized in writing (or, if the Registered Shareholder is a corporation, by a duly authorized officer or attorney) and deposited either at the registered office of the Company (25 Price Street, Toronto, Ontario, Canada M4W 1Z1; Attention: Secretary) at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting or in any other manner permitted by law.

Only Registered Shareholders may revoke a proxy. Beneficial Shareholders will need to contact their financial intermediary and follow their instructions to revoke their proxy. You may also submit a later dated proxy to revoke any prior proxy.

#### *Voting in Person*

If you are a Registered Shareholder and wish to attend and vote in person, you do not need to complete or return your form of proxy. If you vote in person at the Meeting and had previously completed and returned your form of proxy, your proxy will be automatically revoked and any votes you cast in person on a poll at the Meeting will count. Please ensure that you register with the scrutineer at the Meeting to ensure your vote is included.

#### **How to Vote – Beneficial Shareholders**

The Company has distributed copies of the Notice Package to intermediaries for distribution to Beneficial Shareholders. Intermediaries are required to deliver these materials to all Beneficial Shareholders of the Company who have not waived their rights to receive these materials and to seek instructions from Beneficial Shareholders as to how to vote the Common Shares. Often, intermediaries will use a service corporation (such as Broadridge) to forward materials to securityholders.

Beneficial Shareholders who receive the Notice Package will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, a Beneficial Shareholder will be given a Voting Instruction Form which must be completed and signed by the Beneficial Shareholder in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.
- (b) Occasionally, however, a Beneficial Shareholder may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the Beneficial Shareholder but is otherwise not completed. This form of proxy does not need to be signed by the Beneficial Shareholder but must be completed by the Beneficial Shareholder and returned to the Transfer Agent in the manner described above for Registered Shareholders. A proxy will not be valid unless it is deposited at the offices of the Transfer Agent no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, being 9:30 a.m. on Monday, May 1, 2017 or any adjournment of the Meeting. Shareholders that wish to attend and vote at the Meeting using this form of proxy should follow the instructions noted below for appointing a representative at the Meeting.

The purpose of these procedures is to allow Beneficial Shareholders to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should a Beneficial Shareholder who receives either a form of proxy or a Voting Instruction Form wish to attend and vote at the Meeting in person (or have another person attend and vote on their behalf), the Beneficial Shareholder should strike out the names noted in the form of proxy as the proxyholder and insert the Beneficial Shareholder's (or such other person's) name in the blank space provided or, in the case of a Voting Instruction Form, follow the corresponding instructions provided by the intermediary. **In either case, Beneficial Shareholders who receive materials from their intermediary should carefully follow the instructions provided by the intermediary.**

To exercise the right to revoke a proxy (or a Voting Instruction Form, as applicable), a Beneficial Shareholder who has completed a Proxy (or a Voting Instruction Form, as applicable) should carefully follow the instructions provided by the intermediary.

### **QUORUM**

For the Meeting, a quorum is present if 25% of the outstanding Common Shares are represented in person or by proxy at the Meeting. In accordance with the by-laws of the Company, if the Meeting is adjourned for lack of a quorum, at the adjourned Meeting, the Shareholders present in person or represented by proxy shall form the quorum whatever the number of Common Shares represented.

### **MATTERS REQUIRING SHAREHOLDER APPROVAL**

#### **Election of Directors**

Under the articles of amalgamation of the Company (the “**Articles**”), the number of directors of the Company is set at a minimum of three (3) and a maximum of ten (10) and the Board is authorized to determine the actual number of directors within that range to be elected from time to time. The Company currently has seven (7) directors. Each director is elected annually and holds office until the next annual meeting of Shareholders unless he or she sooner ceases to hold office. The Articles also provide that the Board has the power to increase the number of directors at any time between annual meetings of shareholders and appoint one or more additional directors, provided that the total number of directors so appointed shall not exceed one-third of the number of directors elected at the previous annual meeting. The Board has determined that the number of directors to be elected at the Meeting shall be seven (7).

The Company intends to nominate each of the current directors of the Company (the “**Nominees**”) for election as director, and the Shareholders will be asked to vote on an ordinary resolution to elect the Nominees as directors at

the Meeting. Each Nominee elected as a director will hold office until the close of the next annual meeting of the Shareholders or until his successor is elected or appointed. The Nominees are, in the opinion of the Board and management, well qualified to act as directors for the ensuing year. The persons named in the form of proxy, in the absence of direction to the contrary of the Shareholder appointing them, intend to vote for the election of such Nominees whose names are set forth in the table below. However, in the event that any of the Nominees should become unavailable for election for any presently unforeseen reason, the persons named in the proxy will have the right to use their discretion in selecting a substitute.

The information presented in the table below has been provided by the respective Nominee as of the date of this Information Circular. The number of Common Shares owned, controlled or directed includes Common Shares beneficially owned, directly or indirectly (other than stock options), or over which control or direction is exercised by the proposed Nominee.

## **MANAGEMENT OF THE COMPANY**

### **The Manager and TAML**

The office of the Manager and Timbercreek Asset Management Ltd. (“**TAML**”) are located at 25 Price Street, Toronto, Ontario M4W 1Z1. Pursuant to the terms of the management agreement (the “**Management Agreement**”) dated as of June 30, 2016 between the Company and the Manager, the Manager acts as the manager of the Company and provides or arranges for the provision of all administrative services required by the Company. Pursuant to a mortgage services agreement dated September 13, 2013 and amended June 30, 2016 (the “**Mortgage Services Agreement**”) between the Manager and TAML, TAML provides or arranges for the provision of certain services which are required by law to be provided by a licensed mortgage broker (the “**Licensed Services**”) to the Company. TAML is a licensed mortgage brokerage firm in British Columbia, Alberta and Ontario and also is registered as an Investment Fund Manager, Portfolio Manager and Exempt Market Dealer with the Ontario Securities Commission.

### **Duties and Services Provided by the Manager**

Pursuant to the Management Agreement, the Manager is the manager of the Company and, as such, is responsible for making all investment decisions of the Company in accordance with its business objectives, strategy and restrictions and for arranging for the execution of all portfolio transactions. The Manager may delegate certain of its powers to third parties, where, in the discretion of the Manager, it would be in the best interests of the Company to do so. Without limiting the generality of the foregoing, the Manager is required to engage a licensed mortgage broker to provide the Licensed Services to the Company.

The Manager’s duties include, without limitation: (i) authorizing the payment of operating expenses incurred on behalf of the Company; (ii) preparing the annual operating budget of the Company; (iii) coordinating the preparation and delivery to the Board and the Shareholders of financial statements (including quarterly and annual financial statements) and other reports as are required by applicable law from time to time; (iv) monitoring the Company’s compliance with regulatory requirements; (v) preparing the Company’s reports to Shareholders and the Canadian securities regulatory authorities; (vi) recommending to the Company’s board of directors the amount of distributions to be made by the Company to Shareholders; and (vii) appointing third-party service providers for the Company, including registrars, transfer agents, auditors and printers.

### **Details of the Management Agreement**

Under the Management Agreement, the Manager is required to exercise its powers and discharge its duties honestly, in good faith and in the best interests of the Company and to exercise the standard of care, diligence and skill that the Manager possesses or ought to possess as a prudent asset manager. The Management Agreement provides that the Manager will not be liable in any way for any default, failure or defect in the portfolio held by the Company or for any act performed, or failure to act by the Manager within the scope of the Manager’s authority under the Management Agreement. The Manager will incur liability, however, in cases of wilful misconduct, bad faith, gross negligence, or breach of the Manager’s standard of care or by any material breach or default by it of its obligations under the Management Agreement.

The term of the Management Agreement is for a period of 10 years commencing on June 30, 2016, and will be automatically renewed for successive 5-year terms thereafter, unless:

1. terminated by the Company upon approval of a 2/3 majority of the votes cast by the independent directors of the Company:
  - (a) at the conclusion of the initial term or any renewal term, upon 12 months’ prior written notice to the Manager;

- (b) on the date upon which the Company has ceased carrying on its mortgage investment operations and has been wound up and all of the investments have been sold and all proceeds therefrom realised or upon the liquidation and dissolution of the Company;
- (c) at any time in the event that (i) there is a material breach of the Management Agreement by the Manager that is not remedied within 60 days of written notice to the Manager (or such longer period as may be reasonably required to remedy such breach, provided such longer period does not exceed 120 days), (ii) the Manager commits any act of bad faith, wilful malfeasance, gross negligence or reckless disregard of its duties, or (iii) any bankruptcy, insolvency or liquidation proceedings are taken against the Manager or if the Manager makes an assignment for the benefit of its creditors, commits any act of bankruptcy or declares itself or is declared to be insolvent; and
- (d) upon 12 months' written notice delivered to the Manager at any time after the fourth anniversary of the commencement of the initial term, and upon payment of an amount equal to (i) three times the "Annual Fee Basis", which means all management fees earned by the Manager in the previous 12 months; and (ii) all fees and expenses due and owing to the Manager up to and including the date of termination (together, the "**Early Termination Fee**"). Notwithstanding the foregoing, if less than three years remain in the initial term, or any renewal term, as applicable, the Early Termination Fee payable shall be an amount equal to (A) the number of days in the period between the date of termination and the last day of the initial term or renewal term, as applicable, multiplied by the quotient of the Annual Fee Basis divided by 365; and (B) all expenses due and owing to the Manager up to and including the date of termination;

2. terminated by the Manager:

- (a) in the event that there is a material breach of the Management Agreement by the Company that is not remedied within 60 days of written notice to the Company (or such longer period as may be reasonably required to remedy such breach, provided such longer period does not exceed 120 days); or any bankruptcy, insolvency or liquidation proceedings are taken against the Company or the Company makes an assignment for the benefit of its creditors, commits any act of bankruptcy or declares itself or is declared to be insolvent; or
- (b) at any time after the initial term, provided at least 12 months' notice is given to the Company.

For acting as manager of the Company, the Manager receives from the Company a management fee equal to 0.85% per annum of the gross assets of the Company, calculated and paid monthly in arrears, plus applicable taxes and is reimbursed for all reasonable costs and expenses incurred by the Manager on behalf of the Company. The Manager is also entitled to a servicing fee equal to 0.10% per annum, plus applicable taxes, of the amount of any senior tranche of a mortgage asset that is syndicated by the Manager to a third party investor on behalf of the Company, where the Company retains the corresponding subordinated position. The gross assets are calculated as the total amount of assets of the Company before deducting any liabilities, but less any mortgage syndication liabilities. There is no performance fee payable to the Manager under the Management Agreement.

The Management Agreement provides for certain non-competition restrictions in respect of its activities outside of the business of the Company. Although the Manager is permitted to provide similar management services to other investment funds and other clients, even though such activities may be in competition with the Company, the non-competition restrictions provide, among other things, that the Manager shall not create or act as manager for a mortgage investment entity with substantially similar investment objectives and policies as the Company.

Other than as stated above, the management services to be provided by the Manager under the Management Agreement are not exclusive to the Company and nothing in the Management Agreement prevents the Manager

from providing similar management services to other investment funds and other clients or from engaging in other activities.

### **Details of the Mortgage Services Agreement**

The Mortgage Services Agreement, as amended, provides for:

- (i) TAML to provide, or arrange for the provision of, the Licensed Services to the Company, including without limitation, presenting to the Company through an internal investment approval committee (the “**Investment Committee**”) any available loan that meets the investment guidelines of the Company (the “**Investment Guidelines**”), and overseeing the servicing of the mortgages in the investments of the Company and the enforcement of all loans;
- (ii) the Investment Committee to approve all mortgage investments by the Company;
- (iii) TAML to remit to the Company all revenue generated from the mortgage loan origination and placement activities directly or indirectly carried on by TAML in respect of first mortgage loans funded by the Company other than any servicing fee earned in respect of the syndication of senior tranches; and
- (iv) TAML to conduct its activities in accordance with the Investment Guidelines to manage the risk profile of the Company’s portfolio of investments.

Further, pursuant to the Mortgage Services Agreement, TAML, through its qualified subsidiaries, actively oversees the servicing of all mortgages in the portfolio in order to monitor the status of all loans and respond to any potential issues that may arise. TAML provides day-to-day administration of individual mortgages in the portfolio either directly or in instances where the Company is a participant in a syndicated mortgage, other direct participants in the investment may act as the mortgage servicing agents (“**Servicing Agents**”). TAML ensures that the Servicing Agents appointed to administer an individual mortgage are licensed in accordance with the requirements of the *Mortgage Brokers Act* (Ontario) or other applicable legislation. The Servicing Agents’ duties are the day-to-day administration of individual mortgages and include, among other things, responsibilities such as the collection of monthly payments, management of property tax and other escrow accounts, regular remittance to the Company of interest and other income collected, monitoring the status of loans, and regular reporting to TAML as required by the applicable servicing agreement.

### **Informed Persons of the Manager and TAML**

## Investment Committee

All mortgage investments made by the Company are first approved by the Investment Committee. The Investment Committee is an internal committee of the Company and its members may, but need not, be independent. The members of the Investment Committee are R. Blair Tamblyn, Ugo Bizzarri, Andrew Jones and Corrado Russo.

Each mortgage loan is subject to a detailed review process by the Investment Committee. Mortgage loans that are determined to be satisfactory by TAML's management upon completion of its due diligence will be presented to the Investment Committee together with a comprehensive due diligence report. The Investment Committee will consider each investment opportunity presented to it by TAML's management with a view to assessing the strength of the security covenants of such mortgage investment opportunities, and the payment and default risks associated with that mortgage. In considering the adequacy of the underlying real estate that is offered as security on a proposed loan, the Investment Committee will rely on a review of (among other things):

- real estate valuations – supported by third party appraisals;
- environmental risks – supported by third party environmental reports;
- covenants of the borrower and/or guarantor;
- exit strategy for the proposed loan;
- default risk of the proposed loan; and
- structural integrity of the real estate that is offered as security for a proposed loan, supported by third party structural/engineering reports (where necessary).

Following its analysis of the mortgage investment opportunities, the Investment Committee will make a recommendation to the Manager and the Company. Only with a positive recommendation from the Investment Committee will the Manager consider whether or not to allocate assets of the Company to such opportunities. The Manager will consider overall asset allocation and risk analysis before giving final approval of funding. The Investment Committee and the Manager are also responsible for approving any extensions or modifications to loans that were previously approved.

The following table sets forth the name and province of residence and principal occupation of the members of the Investment Committee:

## **EXECUTIVE COMPENSATION**

### **Compensation Discussion and Analysis**

The senior management team of the Company consists of individuals employed by the Manager. Pursuant to the Management Agreement, the Manager directs the affairs and manages the business and administers or arranges for the administration of the Company’s day-to-day operations. There are no employment agreements between members of senior management and the Company, and the Company does not pay any compensation to any individuals serving as officers, directly or indirectly. In consideration for the services provided to the Company, the Manager is paid a management fee equal to 0.85% per annum of the gross assets of the Company, paid monthly in arrears, plus applicable taxes. The Manager is also entitled to a servicing fee equal to 0.10% per annum, plus applicable taxes, of the amount of any senior tranche of a mortgage asset that is syndicated by the Manager to a third party investor on behalf of the Company, where the Company retains the corresponding subordinated position. See “*Management of the Company – Amount Paid and Payable to the Manager*”.

Although certain individuals hold titles as officers of the Company, these officers are employees of the Manager. The board of directors of the Manager has sole responsibility for determining the compensation of the employees of the Manager, including those serving as officers of the Company. The Board, rather than a compensation committee, is therefore responsible for compensation matters, specifically in the form of remuneration of the Manager.

There are no contracts, agreements or arrangements that provide for payments by the Company to a Named Executive Officer (“NEO”) following or in connection with any termination, resignation or retirement of or by the NEO in respect of his or her position with the Company or in the event of a change in control of the Company.

### **Summary Compensation Table**

Securities legislation requires disclosure of the compensation received by each NEO of the Company for each of its three most recently completed financial years. “NEO” is defined by securities legislation to mean: (i) the Chief Executive Officer; (ii) the Chief Financial Officer; (iii) each of the three most highly compensated executive officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (iv) each individual who would be a “NEO” under paragraph (iii) but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year.

During the year ended December 31, 2016, the Company had 5 NEOs (all of whom are employees of the Manager). The following table and notes thereto provide a summary of the compensation paid by the Manager to each NEO of the Company that is attributable to time spent by such NEO on the activities of the Company for the financial year ended December 31, 2016.

### Principal Elements of Compensation

The compensation of the NEOs includes two major elements: (1) base salary; and (2) an annual cash bonus (as further described below). The Manager determines executive compensation with input from senior management of the Manager. There is no specific formula for determining the amount of each element, nor is there a formal approach applied by the Manager for determining how one element of compensation fits into the overall compensation objectives in respect of the activities of the Company. Objectives and performance measures may vary from year to year as determined to be appropriate by the Manager.

The role of the Board in determining compensation is limited. The Board has determined that, generally, processes and controls are in place to mitigate any risks and, overall, such risks are not significant and not reasonably likely to have a material adverse effect on the Company. Although the Board has not adopted any policies in this regard, in the event that a NEO or director of the Company purchases financial instruments that are designed to hedge or offset a decrease in market value of our equity securities granted as compensation or held, directly or indirectly, by the NEO or director, such purchases must be disclosed in the insider reporting filings of a NEO or director.

The NEOs do not benefit from medium term incentives, pension plan participation or equity incentives. Perquisites and personal benefits are not a significant element of compensation of the NEOs.

The two principal elements of compensation are described below.

#### *Base Salaries*

Base salaries are paid by the Manager and are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries are determined on an individual basis, taking into consideration the past, current and potential contribution to the success of the Company, the position and responsibilities of the NEOs and competitive industry pay practices for other mortgage investment corporations and corporations of comparable size. The Manager does not engage compensation consultants or advisors for the purposes of performing benchmarking or apply specific criteria for the selection of comparable mortgage lending businesses.

#### *Annual Cash Bonuses*

Annual cash bonuses are paid by the Manager and are awarded primarily based upon qualitative and quantitative performance standards, and reward performance of the Company or the NEO individually. The determination of the performance of the Company may vary from year to year depending on economic conditions and conditions in the mortgage lending industry, and may be based on measures such as share price performance, the meeting of financial targets against budget and balance sheet performance. Individual performance factors vary, and may include completion of specific projects or transactions and the execution of day to day management responsibilities.

#### **Director Compensation**

Directors' compensation is subject to such amendments as the directors may determine from time to time. A member of the Board who is not an independent director does not receive any remuneration from the Company for serving as a member of the Board or any Board committee.

The Company pays independent directors' fees of \$20,000 per independent director per annum and the lead independent director receives an additional fee of \$3,500 per annum. The Chair of the Audit Committee receives an additional fee of \$5,000 per annum and the Chair of the Corporate Governance Committee receives an additional fee of \$3,500 per annum. In addition, independent directors are entitled to receive a per meeting fee, where the meeting of the Board or the committee of the Board, as applicable, is at least 30 minutes long, of \$1,500 for each such meeting attended in person and \$750 for each such meeting attended by phone.

The compensation structure reflects a focus on increasing the alignment of directors' interests with those of the Shareholders by giving the independent directors the opportunity to elect to receive up to 100% of their compensation in the form of deferred share units of the Company ("DSUs") commencing on June 30, 2016 (being the Amalgamation Date). See "*Deferred Share Unit Plan and Share Ownership Guidelines*" below. No DSUs were granted during the financial year ended December 31, 2016.

Members of the Board or any Board committee are entitled to reimbursement of their out-of-pocket expenses incurred in acting as a member of the Board or any Committee. The directors of the Company may also be entitled to additional remuneration from the Company for the performance of additional services and special projects for the Company. The amount of any such remuneration shall be determined by the independent directors.

### Deferred Share Unit Plan and Share Ownership Guidelines

Pursuant to a deferred share unit plan (a “**DSU Plan**”) adopted by the Board, independent directors may elect to receive all or a portion of their annual board retainer, meeting fees and any other fees payable to the independent director in the form of DSUs. Directors who elect to receive a portion of their compensation in DSUs pursuant to the DSU Plan will be eligible to receive additional compensation up to a maximum of \$5,000 of DSUs per annum.

DSUs may only be redeemed once the independent director ceases to be a director of the Company, including by way of death or disability. Following such date, the independent director (or his or her beneficiary, as applicable) will be paid a lump sum payment, net of withholding taxes, equal to the number of DSUs held by such independent director directly multiplied by the fair market value of a Common Share as of the 24<sup>th</sup> business day after the Company's next interim financial statements (or where the independent director ceases to be a director in the fourth quarter, the annual financial statements) are published or such other date as may be determined by the Board.

Independent directors will be credited with additional DSUs (including, if applicable, fractional DSUs) in respect of dividends declared by the Company on the Common Shares, calculated by dividing (i) the product obtained by multiplying the amount of the dividend paid by the Company on each Common Share by the number of DSUs held by the independent director as of the record date for the payment of such dividend, by (ii) the volume weighted average price of the Common Shares reported by the Toronto Stock Exchange for the twenty trading days immediately preceding the record date.

In connection with the DSU Plan, the Company has adopted share ownership guidelines which require independent directors to seek to acquire and maintain a level of direct and indirect ownership of Common Shares with a value equal to a minimum of three times the independent director's expected annual board retainer and meeting fees. Independent directors are expected to achieve this ownership level within five years following the later of (i) the adoption by the Company of the share ownership guidelines and (ii) the director's election to the Board. If the independent director fails to achieve the required threshold, the Board may determine to pay all or a portion of such independent director's compensation in DSUs until such threshold is met.

The independent directors currently hold an aggregate of 6,114 DSUs pursuant to the DSU Plan.

### Insurance Coverage and Indemnification

The Company has obtained insurance policies that cover corporate indemnification of directors and officers and individual directors and officers in certain circumstances. In addition, the Company's bylaws also provide for the indemnification of directors and officers to the fullest extent permitted by the *Business Corporations Act* (Ontario).

### Performance Graph

The following graph compares the Company's cumulative total shareholder return since January 1, 2012, based on an investment of \$100 at the start of that period and assuming dividends were reinvested. During the period, the total cumulative shareholder return for \$100 invested in Common Shares was \$126.03 or 26.03%, as compared to \$121.46 or 21.46% for the Bloomberg Canadian Investment Grade Corporate Bond Index and \$148.64 or 48.64% for the TSX Composite Total Return Index.

As discussed above under “*Executive Compensation – Compensation Discussion and Analysis*”, the senior management team of the Company consists of individuals employed by the Manager. Although certain individuals hold titles as our officers, these officers are employees of the Manager. There are no employment agreements between members of senior management and the Company and the Company does not pay any compensation to any individuals serving as officers, directly or indirectly. The Board is responsible for the remuneration of the Manager, which is determined and paid in accordance with the Management Agreement. See “*Management of the Company*”. The board of directors of the Manager, and not the Board, has sole responsibility for determining the compensation of the employees of the Manager, including those serving as officers of the Company.

### **Share-based and Option-based Awards**

The Company does not grant share-based or option-based awards to executive officers. As discussed above, the Company does not pay any compensation to any individuals serving as officers of the Company, directly or indirectly.

## **CORPORATE GOVERNANCE**

### **Board of Directors**

The Board is responsible for general oversight of the Company’s business and affairs. The Board discharges its responsibilities directly and through two committees: the Audit Committee and the Corporate Governance Committee. Both committees operate under mandates that are reviewed, and if necessary, updated annually. In fulfilling its responsibilities, the Board delegates day-to-day authority to the Manager pursuant to the Management Agreement. The Company has engaged the Manager to provide services to manage the operations and related affairs of the Company, while reserving the right to review decisions of the Manager and exercise final judgment on any matter. The Manager will review with the Board on a periodic basis its strategic plan for the Company and deliver to the Board ongoing reports on the status of the Company’s business and operations. In addition, in accordance with applicable legal requirements and historical practice, all matters of a material nature are presented to the Board for approval. A copy of the Board mandate is attached as Exhibit A.

#### *Audit Committee*

The Audit Committee is currently comprised of Messrs. Steven Scott (Chairman), W. Glenn Shyba and Derek J. Watchorn. The primary responsibilities of the Audit Committee include the following:

- reviewing the integrity of the Company’s financial statements, management’s discussion and analysis, annual and interim profit or loss press releases and other financial disclosures of the Company;
- monitoring the integrity of the financial reporting and disclosure processes and the system of internal controls that management and the Board have established;
- monitoring the Company’s compliance with legal and regulatory requirements;
- selecting the external auditors for recommendation to the Board;
- reviewing the qualifications, independence and performance of the external auditors; and
- establishing procedures for complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

See the section titled “*Audit Committee*” of the Company’s Annual Information Form, available on SEDAR at [www.sedar.com](http://www.sedar.com), for additional information on the Audit Committee, including its charter and the relevant education and experience of its members.

### *Corporate Governance Committee*

The Corporate Governance Committee is currently comprised of Messrs. W. Glenn Shyba, R. Blair Tamblin and Derek J. Watchorn (Chairman). Its primary function is to assist the Board in dealing with corporate governance matters, including developing and recommending to the Board a set of corporate governance principles applicable to the Company, evaluating the effectiveness and performance of the Board, committees of the Board and individual directors, reviewing the annual report on corporate governance for inclusion in the Company's annual report or management information circular in accordance with applicable legislation and stock exchange requirements, and reviewing the Company's directors' and officers' liability insurance and indemnification policies.

### **Corporate Strategy**

The Manager is responsible for the development of our long term strategy, and the role of the Board is to review, question, validate and propose changes to that strategy, in order to arrive at an approved strategy to be implemented. The Board will review our long term strategy on an ongoing basis.

### **Composition of the Board**

The Board is comprised of seven (7) directors. The Board is of the view that its current size permits a diversity of experience and knowledge and is the appropriate size to foster and promote effective participation, decision making and oversight.

The Board is comprised of a majority of independent directors. It has not established fixed term limits for directors as it is of the view that such a policy would have the effect of forcing directors to resign from the Board who have developed, over a period of service, increased insight into our business and who, therefore, can be expected to provide an increasing contribution to the Board.

### **Other Public Corporation Directorships**

R. Blair Tamblin is a director of StorageVault Canada Inc. and GreenSpace Brands Inc. and Ugo Bizzarri is a director of Cymbria Corporation. Derek Watchorn is a director of Data Communications Management Corp.

### **Director Independence**

Of the members of the Board, four are independent pursuant to the definition thereof in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), being Zelik L. Altman, Steven Scott, W. Glenn Shyba and Derek J. Watchorn. For the purposes of NI 58-101, a director is independent if he or she has no direct or indirect material relationship with the Company. A “material relationship” is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of such member's independent judgment, and certain relationships are deemed to be material. Consequently, a majority of the members of the Board are independent.

The Board has determined that R. Blair Tamblin, Ugo Bizzarri and Andrew Jones are not independent by virtue of their current or former position, as applicable, as, respectively, Chief Executive Officer of the Manager; former Chief Financial Officer of TMIC and TSMIC and Founding Manager Director, Portfolio Management and Investments of the Manager; and Chief Executive Officer of the Company and Managing Director, Debt Investments of the Manager as well as their ownership of securities of the Manager. R. Blair Tamblin is the Chair of the Board and W. Glenn Shyba is the lead independent director. The role of the lead independent director is to ensure that the Board can operate independently of management and that directors have an independent leadership contact.

The Board has established procedures to enable it to function independently of management and to facilitate open and candid discussion among the independent directors. The Board intends to hold in camera independent director meetings following every scheduled Board meeting as well as following special Board meetings as deemed necessary.

In 2016, the Board met without management and non-independent directors on 2 separate occasions.

### **Conflicts of Interest**

Certain of our directors and officers may face actual or potential conflicts of interest due to their positions as directors or officers of the Manager, and/or their direct or indirect ownership interest in the Manager. Messrs. Tamblyn, Bizzarri, Jones, Hawkings and Goodnough, Ms. Morris and Ms. Wong are directors and/or officers of the Company and are also directors and/or officers of the Manager. These directors and officers may have a conflict of interest in allocating their time between the respective businesses and interests of the Manager and the Company, and other businesses and projects in which they may become involved. Messrs. Tamblyn, Bizzarri, Jones and Hawkings and Ms. Morris are also direct or indirect shareholders of the Manager.

The directors and officers of the Company are required by law to act in the best interests of the Company. Discharge by the directors and officers of their obligations to the Company may result in a breach of their obligations to the other companies, and in certain circumstances could expose the Company to liability to those companies. Similarly, discharge by the directors and officers of their obligations, if applicable, to any other company could result in a breach of their obligations to act in the best interests of the Company.

### **Succession Planning**

Management succession will be an ongoing activity to be reviewed by the Board, with input from the Manager, as appropriate. This planning process will include, on a continuous basis, the Chief Executive Officer's recommendation of a possible successor in the event of an unexpected incapacitation of the Chief Executive Officer.

### **Roles of the Chair of the Board, Committee Chair and the CEO**

While the Board has not adopted written position descriptions for the Chair of the Board, the Audit Committee chair, the Corporate Governance Committee chair or the Chief Executive Officer of the Company, the roles of each are understood. The responsibilities of the Chair of the Board include the efficient organization and operation of the Board. The Chair of the Board is also responsible for ensuring that effective communication exists between the Board and management and that the Board effectively carries out its mandate. Similarly, the Audit Committee chair is responsible for the effective organization and operation of the Audit Committee and the Corporate Governance Committee chair is responsible for the effective organization and operation of the Corporate Governance Committee. The Chair of the Board will chair meetings of the independent directors and assume other responsibilities which the non-management directors may designate from time to time.

The Chief Executive Officer reports formally to the Board, and, where appropriate, to the Audit Committee and the Corporate Governance Committee, as well as less formally through discussions with members of the Board, the Audit Committee and the Corporate Governance Committee, to advise the Board, the Audit Committee and the Corporate Governance Committee on a timely basis of courses of action that are being considered and are being followed. The Chief Executive Officer establishes the strategic and operational orientation of the Company and, in so doing, provides leadership and vision for the effective overall management, profitability, increase in shareholder value and growth of the Company and for conformity with policies agreed upon by the Board. The Chief Executive Officer is directly accountable to the Board for all activities of the Company. The corporate objectives for which the Chief Executive Officer of the Company is responsible will be determined by strategic and financial plans initiated by the Chief Executive Officer, and developed with input from the Board.

### **Director Attendance**

Board members are expected to attend all Board meetings and meetings of Board committees on which they serve. The following table shows meeting attendance records for all current Board members in the year ended 2016.

<u>Name of Board Member</u>	<u>Board Meeting</u>	<u>Audit Committee Meeting</u>	<u>Corporate Governance Committee Meeting</u>
Zelick L. Altman	4/5	N/A	N/A
Steven Scott	4/5	2/2	N/A
W. Glenn Shyba	5/5	2/2	1/1
R. Blair Tamblyn	5/5	N/A	1/1
Derek J. Watchorn	5/5	2/2	1/1
Andrew Jones	5/5	N/A	N/A
Ugo Bizzarri	5/5	N/A	N/A

### **Orientation and Continuing Education**

The management will establish a practice with respect to the orientation and education of new directors. They will be given the opportunity to meet with senior management and other directors to familiarize themselves with our business and activities and their responsibilities as directors. New directors will be provided with our recent regulatory filings, such as our annual information form and proxy material, the reporting requirements of the directors, information with respect to the Audit Committee and the Corporate Governance Committee and their written charters and certain policies and procedures of the Board.

On a continuing basis, management provides periodic presentations to the Board to ensure that our directors are fully informed with respect to our business, and directors are free to contact the Chief Executive Officer and the Chief Financial Officer at any time to discuss any aspect of our business.

### **Ethical Business Conduct**

The Company has not adopted a formal code of business conduct and ethics apart from the code of conduct adopted by the Manager. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, to encourage and promote a culture of ethical business conduct, the mandate of the Board requires that the Board be satisfied with the integrity of the Chief Executive Officer and other executive officers and that these officers are creating a culture of integrity throughout the Company.

### **Whistleblower Policy**

The Company has adopted a Receipt of Complaints and Whistleblower Protection Policy. This Policy seeks to create procedures for the receipt, retention and treatment by the Audit Committee of concerns, complaints or allegations received by the Company, including confidential and anonymous submissions made by employees, officers and trustees of the Company.

## **Nomination of Directors**

The Board does not currently have a nominating committee. The Manager and members of the Board may recommend suitable individuals for nomination as directors. To ensure objectivity in the nomination process, the independent directors review and approve any director nominations proposed by the Manager.

The Board and the Manager are responsible for determining the appropriate criteria for selecting and assessing potential directors and selects candidates for nomination to the Board accordingly. At such time as it is determined that a new director is desirable, the Board and the Manager will engage in various activities to ensure an effective process for selecting candidates for nomination, including developing criteria for the selection of a new director, developing and maintaining a director skills matrix (identifying the desired competencies, independence, expertise, skills, background and personal qualities that are being sought in potential candidates), identifying and recommending individuals qualified and suitable to become directors, the Chair of the Board and/or the Chief Executive Officer will meet with potential new candidates prior to nomination to discuss the time commitments and performance expectations of the position and formal approval will be sought and obtained from the Board in respect of candidates for nomination.

## **Majority Voting Policy**

The Company has adopted a majority voting policy. Under this policy, in an uncontested election of directors, any nominee proposed for election as a director who receives a greater number of “withheld” votes than “for” votes will, promptly following the meeting, tender his or her resignation to the Board (which would be effective upon acceptance by the Board). The Board will promptly consider the resignation and determine whether to accept or reject the resignation. The Board will make a decision regarding acceptance of the resignation within 90 days of the Meeting and will publicly disclose the decision by news release and a report filed on SEDAR at [www.sedar.com](http://www.sedar.com). Where the resignation has not been accepted, the news release will explain why. The Board expects that resignations will be accepted unless there are exceptional circumstances that warrant a contrary decision.

## **Compensation**

The Board does not currently have a compensation committee. As a result of our arrangements with the Manager, the Company does not employ any individuals (and has no employment contracts with any individuals), and thus the Board has determined that there is no need for a separate compensation committee. The compensation of the Manager is determined based on the provisions of the Management Agreement, which can only be amended with the approval of a majority of the independent directors, and if increased, with the approval by a special resolution of Shareholders.

The Board, as a whole, is responsible for implementing a process for reviewing the adequacy and form of compensation of directors of the Company and ensuring that compensation realistically reflects the responsibilities and risk involved in being a director of the Company. The Board requires that remuneration be at a level that will attract and motivate competent members. Compensation is also based on the compensation of directors of similarly situated issuers.

## **Assessments**

The Board is responsible for implementing a process for assessing the effectiveness of the Board as a whole, the Audit Committee, the Corporate Governance Committee and the contribution of individual directors. In carrying out its responsibilities, the Board is required to periodically review the charters of the Audit Committee and the Corporate Governance Committee and will make an assessment of the effectiveness of the directors. The Board has determined that the number of directors of the Company is appropriate for the Board to function at this time and that the Board is properly constituted to reflect the investment of all Shareholders in the Company. On an ongoing basis, the Board will review its size and composition.

## **Diversity**

The Board has adopted a formal diversity policy which covers several diversity criteria with respect to the members of the Board and in senior management, including but not limited to, gender, geographical representation, education, background, regional and industry experience, ethnicity, age, disability and other distinctions. The Company recognizes that a diverse Board and executive management team will result in a diversity of perspectives which it believes can enhance the Company's leadership, competitive edge and effectiveness. The Board also recognizes that gender diversity is a significant aspect of diversity and acknowledges the important role that women, with appropriate and relevant skills and experience, can play in contributing to the diversity of perspectives on the Board and at the executive officer level. The Board remains committed to basing board member and executive officer nominations on merit and selecting the best person to fulfill these roles and when identifying and considering the selection of candidates for director and senior leadership positions the Board will:

- Consider the benefits of all aspects of diversity including, but not limited to, those described above;
- Consider the level of representation of women on the Board and in executive officer positions, respectively; and
- In addition to its own searches, if necessary, engage independent external advisors to conduct a search for candidates who meet the Board's and the Company's expertise, skills and diversity criteria to achieve the Company's diversity goals.

The diversity policy will be reviewed annually by the Corporate Governance Committee, which will include an assessment of the effectiveness of the policy.

The composition of the Board is based on numerous factors established by the selection criteria and it is ultimately the skills, experience, character and behavioral qualities that are most important in determining the value that an individual could bring to the Board. While the Company does not maintain fixed targets (for directors, or for management), it does consider the representation of women when nominating for both.

Two of the executive officers of the Company or 25% of the executive officers, are female. There is currently no female director on the Board.
